# Blends & Digraphs Chart

A blends and digraphs chart can be used in so many ways in your classroom!

- Guided Reading groups: Begin reading groups each day by reciting the blend and digraph chart.
- Homework: Send a copy home for practice with parents.
- Independent Practice: Put a copy in each student's Bag of Books or Book Box and/or copy at a reduced size and put on student's desks or tables.
- Independent Writing: Put a copy in student's writing folder.
- Word Work activity: Laminate a copy and give a child a dry erase marker. They can 'Read the Room' and cross out a square when they spot the blend or digraph!

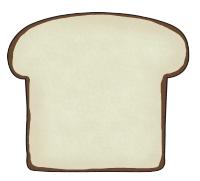

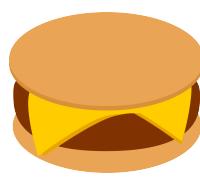

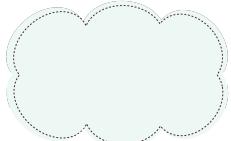

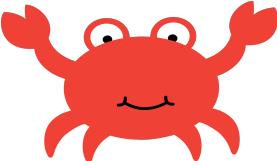

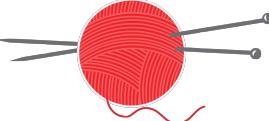

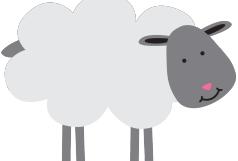

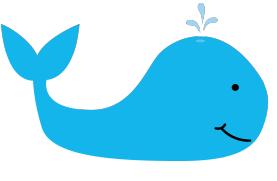

{Ways to Read the Chart}

- Use different voices, such as an underwater voice, monster voice, tiny voice, whisper voice, or opera voice. Kiddos love to use these voices!

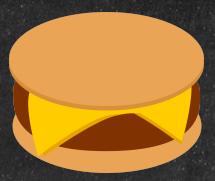

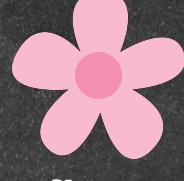

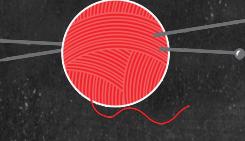

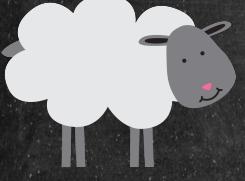

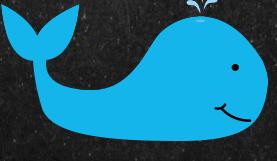

{Materials needed}

Laminated blends and digraphs charts  
Optional pointers (popsicle sticks, witch fingers, etc) to point to each letter
